

## Valley Of Tears

Brook Benton

I want you to take me where I belong  
Where hearts have been broken with a kiss and a song  
Spend the rest of my days without any cares  
Ev'ry one understands me in the valley of tears.  
Soft words have been  
Ev'ry one understands me in the valley of tears.

I want you to spoken so sweet and low  
But my mind is made up love has got to go  
Spend the rest of my days without any cares  
Ev'ry one understands me in the valley of tears.  
Soft words have been  
Ev'ry one understands me in the valley of tears.
