

Off Limits

Brooke Alexx

I might burn a bridge or two
Thinking that you're cute
'Cause now I'm wanting things I can't have
It all happened so fast

Got me out of bounds
Your name falls out my mouth
Almost every other sentence
No, I can't help it (no, I can't help it)

Yeah I know it's kinda bad
Not my fault I'm going mad
When you text me back
And you look like that
In your black hat

It's getting dangerous

Ooh ooh
How'd I get so deep into this
I can't keep my head from spinning
Ooh ooh
God, I love that it's forbidden
Turns me on that it's
So-oh-oh off limits

How'd I get so deep into this
I can't keep my head from spinning
Ooh ooh
Tell me who I'm really kidding
Turns me on that it's
So-oh-oh off limits

I should cut it off
But I can't get enough
I'm not tryna keep it business
When you got me addicted (you got me addicted)

Yeah I know it's kinda bad
Not my fault I'm going mad
When you text me back
And you look like that
In your black hat

It's getting dangerous

Ooh ooh
How'd I get so deep into this
I can't keep my head from spinning
Ooh ooh
God, I love that it's forbidden
Turns me on that it's
So-oh-oh off limits

How'd I get so deep into this
I can't keep my head from spinning
Ooh ooh

Tell me who I'm really kidding
Turns me on that it's
So-oh-oh off limits

Rip off the red tape
Cut off the locks hey
So-oh-oh off limits
Break down the doors
Can't fight it no more, yeah
I'm going for it now

Ooh ooh
How'd I get so deep into this
I can't keep my head from spinning
Ooh ooh
God, I love that it's forbidden
Turns me on that it's
So-oh-oh off limits

How'd I get so deep into this
I can't keep my head from spinning
Ooh ooh
Tell me who I'm really kidding
Turns me on that it's
So-oh-oh off limits
