She's giving fish
Fish
She's giving fish

Fish
(I am the most fabulous thing on planet Earth)

Bow down to me, I'm Lisa Simpson bratty
Yeah I'm cute, I'm cuddly, but you can call me daddy
Prissy, missy, throw a hissy and I won't back down
I'm a queen but it ain't Disney, more like Britney with the crown

Follow me, get you on a leash
Make you bark, make you beg, you'll submit to me
No apologies, I'm the candy treat
So sweet and juicy, seeing wet pussy drippy

She's giving fish
She's giving fish
She's giving fish
Big fat pussy, pants don't fit
She's giving fish
She's giving fish
She's giving fish
Big fat pussy, pants don't fit

Miss Brooke, I'm coming up
I'm boiling hot (Oh)
I need some water
Will you water me?
I can please
I know your needs
I'm your fishy (fishies)
I need to feed on sashimi
Big tits in my bikini
Vodka in my bubble tea
One shot and I get freaky
Swim in the Laguna
Eat me like raw tuna (Yum)
Find me in Aruba
I bite like barracuda

She's giving fish
She's giving fish (Ooh)
She's giving fish (Ooh)
Big fat pussy, pants don't fit (Ah-ah-ah)
She's giving fish (Oh, yeah)
She's giving fish
She's giving fish
Big fat pussy, pants don't fit

She's giving fish, fish, fish, fish, fish, fish, fish
She's giving fish, fish, fish, fish, fish, fish, fish
She's giving fish, fish, fish, fish, fish, fish, fish

She's giving fish, fish, fish, fish, fish, fish, fish

She's giving fish
