

## Next Bitch

Brooke Candy

Bitch, uh  
You wack, bitch  
(Yes, bitch, you are)

I'm the next bitch  
I'm infectious  
Fuckin' reckless  
You gon' bite this?

I'm, I'm, I'm the next bitch, watch me blow  
That's my circus, run this show  
Bottle service, take two to go  
The paparazzi gonna snap too slow  
Watch me move, then watch me trip  
Shave my head and then pierce my nips  
I'm innocent, so I blow a kiss  
How many bitches get down like this?

I, I walk into the room  
Stay mad I'll make a boom  
Their body goin' crazy, crazy  
I, when I walk in the room  
These bitches in the tomb  
Miss Candy, if you pay me, pay me

I'm the next bitch  
I'm infectious  
Fuckin' reckless  
You gon' bite this?  
I'm the next bitch, I'm infectious  
Fuckin' reckless, you gon' bite this?  
You gon' bite this?  
I'm the next bitch, I'm infectious  
Fuckin' reckless, you gon' bite this?  
You gon' bite this?

I, I walk into the room  
Stay mad I'll make a boom  
Their body goin' crazy, crazy  
I, when I walk in the room  
These bitches in the tomb  
Miss Candy, if you pay me, pay me

Candy rush with peppermint  
Swirly pop and licorice  
Sugar rush right on the lips  
Sticky sweet, so wear the drips (bitch)  
Taste the rainbow, take one bite  
Bubble gum, yeah, pop tonight  
Special taffy, pink and white  
Cotton candy bed tonight

I'm the next bitch
