Curry with the Bombay free throw  
Lifted off the Adderall and Barbie weed, though  
Kill 'em with the hate-on-me flow

So they pay my booking fee, though  
From the barrios to the bars in We-Ho  
And I been fuckin' weird for a minute  
Everybody love it, but they scared to admit it  
Searchin' for the best, well, I been it  
Don't worry 'bout my sick mind, I'm the one that's in it (Ahh)  
Look, if you ain't shittin', pull your pants up  
Got you bitches dancin', stick up, put your hands up  
And I'ma make ya head nod, bet  
This the type of beat that make you crack yo neck
