More pills, one to wake up  
One to go dance, one to get fucked  
More pills, one to shut up  
One to feel cute, one to get fucked

High heels slippin' on the floor, floor  
You'll have her drunk-dancin' with a whore, whore  
Ride the devil in Dior, or  
Disco Daddy got me up at four, four

I need a lap dance  
I need a spray tan  
I need a rich man  
With a big dick  
(I need)

I want a wall street bitch so I can eat out the rich  
I want a picture of our sex from the Hollywood fix  
I want a cheetah print dick just to go with the fit  
I want a hundred fuckin' boys, fuckin' boys at the Ritz

I need a lap dance  
I need a spray tan  
I need a rich man  
With a big dick  
(I need)
