Brooke Candy

Respectfully, come and get your man  
Disrespectfully, I could get you banned  
Make it make sense to me, flexing in DMs  
You are not my enemy, bitch, you're just a fan  
Bitch you're just a fan

You got your swords out, it pulls out for me  
Pussy so tight, swear it almost has teeth  
Now, I don't bite but I chew boys like you  
Inspecting my gadget or go get a clue

You lost a girlfriend, that must suck for you  
I dump a boyfriend 'til the twenty two  
You lost a girlfriend, that must suck for you  
I dump a boyfriend, I don't act-

These titties are weapons, go call ATF  
TSA don't pat down, I fly private jets  
PSA boy, back down, we're not having sex  
Get through your head, boy, I don't act-
