

Safe Word

Brooke Candy

Fuck your safe word
I wanna be dangerous, dangerous
Bring them papers
Let's roll something up
Before we (ah) just like strangers
In the bathroom of a crowded club
Fuck your safe word
I wanna get dangerous (dangerous)

Rope, leather
Keep your body tethered to the bed
Make you sweat
Let's get into some kinky shit
So metaphysical
Yeah, my body's a ritual
Put me under like fentanyl
Fuck me till I'm hysterical

(La, la, la, la, la)
He wanna eat me up like candy
(La, la, la, la, la)
I told him "tie me up and choke me"
(La, la, la, la, la)
'Cause I don't mind being demanding
I know what I like, I want some freaky shit tonight

Fuck your safe word
I wanna be dangerous, dangerous
Bring them papers
Let's roll something up
Before we (ah) just like strangers
In the bathroom of a crowded club
Fuck your safe word
I wanna get dangerous (dangerous)

Pussy go lavish
Fucking with a boss and a bad bitch
Seven inch heels, then the lashes
Do it like rabbits
I just love a bitch who stay active
We don't need to get romantic, daddy
I just want to get a little dirty
Eat me out from night to bright and early
If you do it right, I'll let you hurt me
Fuck me like I'm begging you for mercy

(La, la, la, la, la)
He wanna eat me up like candy
(La, la, la, la, la)
I told him "tie me up and choke me"
(La, la, la, la, la)
'Cause I don't mind being demanding
I know what I like, I want some freaky shit tonight

Fuck your safe word
I wanna be dangerous, dangerous
Bring them papers

Let's roll something up
Before we (ah) just like strangers
In the bathroom of a crowded club
Fuck your safe word
I wanna get dangerous (dangerous)
I wanna get dangerous (dangerous)
I wanna get dangerous (dangerous)
