

War

Brooke Candy

The government lie
The media lie
Your momma lie
Your grade school lie
Fuckin' liars
Fuckin' liars
Fuckin' liars
Fuckin' liars

The agenda lie
The conservatives lie
The liberals lie
Nobody real try
Fuckin' liars
Fuckin' liars
Fuckin' liars
Fuckin' liars

So keep on pushing your position
And make 'em swallow up your vision
Another organized religion
Dumb de dumb dumb they all fall down
So take your capitalist interest
And make America your bitches
Another body on the hitlist
Dumb de dumb dumb they all fall down

Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down like
1, 2, 3, 4, everybody go to war
Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down like
1, 2, 3, 4, everybody go to war

Videos lie
The radio lie
The empire falls
The innocent fry
The jail cells overflow, make a profit off of hope
Everybody here belongs but nobody here is home

So keep on pushing your position
And make 'em swallow up your vision
Another organized religion
Dumb de dumb dumb they all fall down
So take your capitalist interest
And make America your bitches
Another body on the hitlist
Dumb de dumb dumb they all fall down

Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down like
1, 2, 3, 4, everybody go to war
Dumb de dumb dumb they all fall down, go

Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down like
1, 2, 3, 4, everybody go to war

We are a country built on greed
History books nobody should read
Land of the fake where the rich is the free
Do as they say and they'll let you breathe

So keep on pushing your position
And make 'em swallow up your vision
Another organized religion
Dumb de dumb dumb they all fall down
So take your capitalist interest
And make America your bitches
Another body on the hitlist
Dumb de dumb dumb they all fall down

Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down like
1, 2, 3, 4, everybody go to war
Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down, go
Dumb de dumb dumb they all fall down like
1, 2, 3, 4, everybody go to war
1, 2, 3, 4, everybody go to war
Riot!
