

# Authority

Brooke Fraser

Creation know the voice  
That spoke into the void  
The breath that brought the dust to life  
And sang the stars to form

The darkness fears Your voice  
That drove it back before  
And though the night is long  
I know Your light  
Will drive it back once more

One word from You  
Things change on Your authority  
Your word, it's true  
Things change on Your authority

My fight is not my own  
Its end is in Your hands  
I worship You because I know all things  
Must bow down to Your command

One word from You  
Things change on Your authority  
Your word, it's true  
Things change on Your authority

Will heaven not prevail and strongholds not be moved  
Will spirits not be silenced and cower at His rule  
For if my God is for me then what have I to fear  
And I will not deny Him that glory that is His

Will heaven not prevail and strongholds not be moved  
Will spirits not be silenced and cower at His rule  
For if my God is for me then what have I to fear  
And I will not deny Him that glory that is His

Heaven will prevail and strongholds will be moved  
Spirits will be silenced and cower at His rule  
I know my God is for me. So, what have I to fear  
For nothing will deny Him that glory that is His
