

Authority

Brooke Fraser

Creation know the voice
That spoke into the void
The breath that brought the dust to life
And sang the stars to form

The darkness fears Your voice
That drove it back before
And though the night is long
I know Your light
Will drive it back once more

One word from You
Things change on Your authority
Your word, it's true
Things change on Your authority

My fight is not my own
Its end is in Your hands
I worship You because I know all things
Must bow down to Your command

One word from You
Things change on Your authority
Your word, it's true
Things change on Your authority

Will heaven not prevail and strongholds not be moved
Will spirits not be silenced and cower at His rule
For if my God is for me then what have I to fear
And I will not deny Him that glory that is His

Will heaven not prevail and strongholds not be moved
Will spirits not be silenced and cower at His rule
For if my God is for me then what have I to fear
And I will not deny Him that glory that is His

Heaven will prevail and strongholds will be moved
Spirits will be silenced and cower at His rule
I know my God is for me. So, what have I to fear
For nothing will deny Him that glory that is His
