

# Day Is Dimming

Brooke Fraser

The day is dimming and I'm yearning for you  
I won't be satisfied till I see your face  
Every victory, every loss  
Every tick and every cross  
You can put them all in place

It seems I'm finding more of why  
In these moments  
I feel like I'm made to sing of how good you are  
The more the years swell by and pass  
Each second's more than last  
It's true by far

That no profound thought or clever rhyme  
No soaring grand, melodic line  
No theory, philosophy or sign  
Can explain it  
Can explain

Where you are, I wanna be  
It's your love that has changed me  
I'd give the world, and all it's charms  
For a moment in your arms  
Better is one day with you  
Than a thousand elsewhere  
A thousand elsewhere

I still remember what it felt like before you  
I'm grateful every day for how things have changed  
I'll thank you every way I can  
'Cause my life only began  
When I heard you call my name

Now, no praise of man  
No great acclaim  
No humble looking kind of fane  
No power, wealth or worldly gain  
Could satisfy me  
Could every satisfy

'Cause where you are, I wanna be  
It's your grace that has raised me  
I'd give my whole life to honor you  
And whom I live  
And whom I move  
Better is one day with you  
Than a thousand elsewhere

Better is one day in your courts  
Better is one day in your house  
Better is one day in your courts  
Than anywhere else oh  
Lead me, lead me  
Lead me to yourself  
Lead me to your heart

Where you are, I wanna be

It's your love that has changed me  
I'd give my life, to honor you  
And whom I live  
And whom I move  
Better is one day with you  
Than a thousand elsewhere  
A thousand elsewhere

Lead me to yourself  
Lead me to your heart  
I'll be found in you  
I'll be found in you  
Here is peace  
Here is joy  
Here is light  
Here is freedom, freedom
