

May Waltz

Brooke Fraser

I've got a mind to take you away
To some white sand and a palm tree parade
I've got a mind to take you away
I've got a mind to go

I've got a smile that's only for you
Exchanged in secret, the way lovers do
I've got a smile that's only for you
Baby, I've got a smile

Morning sneaks up on us
Shines on our sheets
Wakin' me into my favorite dream
My best imaginin' never implied
That you'd be the dawning
That ended my night

Hmm, hmm
Hmm, hmm
Hmm, hmm
Hmm, hmm

I've got the will to love you always
Through the chilliest winter, the hot summer haze
I've got the will to love you always
I've got the will to love

Honey, I know it won't always be sweet
Lovin' a person is not a small feat
Don't give up on me and I won't on you
Pack your bags baby 'cause I'm takin' you

Hmm, hmm
Hmm, hmm
Hmm, hmm
Hmm, hmm
