

# All I Want Is You

Brooke Hogan

You make my mind completely crazy  
You turn my world into a storm  
And if I had it my way baby  
You would be right here  
And I wish you were near

All I want to think of lately  
Is you and me and nothing else  
(no no)  
So come on baby wont you take me  
I know you see right through  
Theres nothing I can do

Cuz all I want is you  
And all I want is  
All I need is you  
And all I need is  
All I want is you  
Yea all I want is you  
Yea you yea you  
All I want is you  
Yea

And when I need someone to save me  
Your always right there by my side  
(oh yea)  
You make it hard to hate you baby  
Theres nothing I can do  
Cuz I'm so in love with you

And baby all I need is you

All I want is you  
And all I want is  
All I need is you  
And all I need is  
All I want is you  
Yea all I want is you  
Yea you yea you  
All I want is you  
Yea  
All I want is you  
Yea you

No matter where I seem to go  
Your in my heart your in my soul  
Your inside me appear in all my dreams  
When I need you to come through  
Theres nothing I cant do  
As long as I have you

All I want is you  
And all I want is  
All I need is you  
And all I need is  
All I want is you  
Yea all I want is you

Yea you yea you  
All I want is you  
All I need is you  
(oh)  
Need is you  
All I want is you  
Yea yea oh  
Oh yea  
All I want is you  
All I want is you
