

# Handcuffed

Brooke Hogan

Oh baby tie me up  
Cause I'm in love with you  
Handcuffed  
Tie me up  
Cause I'm in love with you

You got me handcuffed  
Locked up cardiac arrest baby  
Cause I'm in love with you  
You got me handcuffed  
Don't stop tie me up right now baby  
That's all I wanna do

I've been around just a couple of times  
But not enough to know what's really "right"  
And I've been hurt just a couple of more  
Yes it's happened to me more than twice  
So I lost all my hope and I finally figured out  
Would have to be left on my own  
But then you came around and showed me what it's like  
To be enforced by love (oh)

You got me handcuffed  
Locked up cardiac arrest baby  
Cause I'm in love with you  
You got me handcuffed  
Don't stop tie me up right now baby  
That's all I wanna do

I'm so relieved that I'm finally caught  
Boy your free to "force me" just so you know  
Just tie me up and secure the lock  
Please don't ever think of letting me go  
So just swallow the key  
And never lettin' go of me  
And I'll never let go of you  
I'm your prisoner now  
So don't ever let me out  
And keep an extra eye on me too (oh)

You got me handcuffed  
Locked up cardiac arrest baby  
Cause I'm in love with you  
You got me handcuffed  
Don't stop tie me up right now baby  
That's all I wanna do

Baby got your handcuffs  
Go head and tie me up  
Get out your handcuffs  
Go head and tie me up  
Handcuffed

You got me handcuffed  
Locked up cardiac arrest baby  
Cause I'm in love with you  
You got me handcuffed

Don't stop tie me up right now baby  
That's all I wanna do

Baby got your handcuffs  
Go head and tie me up  
Get out your handcuffs  
Go head and tie me up (locked up)  
You got your handcuffs (I'm in love with you)  
Go head and tie me up  
Don't stop tie me up right now baby  
Handcuffs  
Get out your handcuffs
