

# Heart Breaker

Brooke Hogan

So I'm sittin here  
Guess I'm just another  
I wont cry a tear it wont make it better  
Cant keep holdin' on  
She'll forget about you  
But now that your gone have to live without you

I was just another girl to you  
You had me beleaving I was your baby  
And I was so lucky  
But I cant be mad at you  
Cuz I shouldve known better to give my heart away  
yea yea  
To a heart, heart breaker

No more cryin here you just left me broken  
You say you dont care so the door is closing  
And I'll tell you off but my heart wont even  
Cuz I want your love but I have to leave it

I was just another girl to you  
You had me beleaving I was your baby  
And I was so lucky  
But I cant be mad at you  
Cuz I shouldve known better to give my heart away  
yea yea  
To a heart, heart breaker

Yous a faker heart breaker  
Wont bring me down no more  
Gotta show ya I'm alright  
Lose these strings and cut you off  
Yous a faker heart breaker  
Wont bring me down no more  
Gotta show ya I'm alright  
Lose these strings and cut you off

I was just another girl to you  
You had me beleaving I was your baby  
And I was so lucky  
But I cant be mad at you  
Cuz I shouldve known better to give my heart away  
yea yea  
To a heart, heart breaker

Maybe this is just better that we're gone  
You stabbed me in the back  
Ive been lonely  
I dont wanna deal with this anymore  
yea  
You go on without me

I was just another girl to you  
You had me beleaving I was your baby  
And I was so lucky  
But I cant be mad at you  
Cuz I shouldve known better to give my heart away

yea yea  
To a heart, heart breaker  
I was just another girl to you  
You had me beleaving I was your baby  
And I was so lucky  
But I cant be mad at you  
Cuz I shouldve known better to give my heart away  
yea yea  
To a heart, heart breaker
