

# Love You, Hate You

Brooke Hogan

Break up  
Make up  
Boy we goin' through this again  
Is love  
This tough  
Tell me are you out are you in  
Just my luck  
I've fallin' in love with someone  
But we don't agree  
After all the arguing  
You try to leave  
But there's nowhere else you'd rather be

Sometimes I love you but I hate you  
Can't escape you  
I don't think it's safe to  
Want this love  
We go from bein' lovers  
Tryin' to hurt each other  
Boy it's getting tougher  
Want this love  
Sometimes I love you but I hate you  
Can't escape you  
I don't think it's safe to  
We go from bein' lovers  
Tryin' to play each other  
Boy it's getting tougher  
On this love

I love you  
I love you

It's 2  
Who knew  
Who is it who's calling this late  
Phone rings  
I'm sleeping  
Guess what he had to say  
Couldn't wait  
Bell rings  
And all of a sudden  
He shows up with another two  
Kickin' it with someone else  
Bein' kinda rude  
Then he finds out there's no other dude  
And he says  
That's all that you had to say  
To make everything okay

Sometimes I love you but I hate you  
Can't escape you  
I don't think it's safe to  
Want this love  
We go from bein' lovers  
Tryin' to hurt each other  
Boy it's getting tougher  
Want this love

Sometimes I love you but I hate you  
Can't escape you  
I don't think it's safe to  
We go from bein' lovers  
Tryin' to play each other  
Boy it's getting tougher  
On this love

Baby oh  
Am I losin' my mind  
Cause for the first time  
And it's not the picture I saw  
And nobody understands  
How I date my man  
Want to say  
And we risk it all  
He must be a special one  
Cause we thought this wasn't done  
No one could have gotten to me this way  
It's a special kinda love  
Cause we haven't given up  
Though I feel this way  
From Monday to Tuesday

That's all you had to say  
I love you  
To make everything okay

Sometimes I love you but I hate you  
Can't escape you  
I don't think it's safe to  
Want this love  
We go from bein' lovers  
Tryin' to hurt each other  
Boy it's getting tougher  
Want this love  
Sometimes I love you but I hate you  
Can't escape you  
I don't think it's safe to  
We go from bein' lovers  
Tryin' to play each other  
Boy it's getting tougher  
On this love
