

Cover Girl

Brooke Valentine

I wish I could be that girl
In the magazine everybody sees 'cause she's so pretty
I wish I could be, when I close my eyes
I see what you want me to be that girl

Wish I could be your cover girl
Mascara, and lipstick, I would be so pretty
A little blush, not too much
Maybe you'll notice that I could be your cover girl
Or accept me for me
Cover girl

Boy, when you're alone with me
I'm takin' good care of you
Givin' everything you need
I don't know if it's good enough for you
'Cause you're always in the TV
When you're right here next to me

I know I'm not Halle Berry, girls from videos
I just want to be someone you can hold
I just want to be the one for you
Baby, baby

Wish I could be your cover girl
Mascara, and lipstick, I would be so pretty
A little blush, not too much
Maybe you'll notice that I could be your cover girl
Or accept me for me
Cover girl

Boy, I love you just the way you are
And if you feel the same way bout me
Beauty is only skin deep, baby
Boy, I don't need accessories to magnify my beauty
Could you just love what you see?

Cover girl
Your cover girl
Mascara, and lipstick, I would be so pretty
A little blush, not too much
Maybe you'll notice that I could be your cover girl
Or accept me for me

I can be, I can be
Your cover girl, your cover girl
Mascara, and my lipstick, I'd be so oh pretty
I can be everything you need, you need
I can be be for you baby
Your cover girl
