

Rewind

Brooke Valentine

Listen to me babe yeah
I'm feelin alone in this world
And all I can remember is when I was your girl
But now you got my mind in a whirl
I know that it's been a while since I walked out that door

Fussin at you, you babe sayin I'm thru babe
I don't forget, So how do I miss these days
Wish I knew 2 things
I can't take the way for 1 and for only babe soo

Keep it up while we going back
Keep it up and I'm coming back to you
It's gotta be the love that I'm wanting back
Keep it up and ill be coming back to you

I hope that is worth it maybe we could work it out
And our makeup sex it is the best the way you love me down
Got me talking to you like we know we back up on it now
Boy I'm tired of second guessing glad your coming back around

Cause its been too long
Maybe this time we can write our wrongs
Been reminiscing the longest
I know you know, I know you got it boy
So pay that song Marvin Gaye and let's get it on
Ouu I'm back in dat zone sooo

Keep it up while we going back
Keep it up and I'm coming back to you
It's gotta be the love that I'm wanting back
Keep it up and ill be coming back to you

STOP! [x8]
Just when you thought it was over I'll be back for you
