

Rumble

Brooke Waggoner

Gonna find ways to make it happen
Yea, it's my second move

Don't believe in talkin, useless talkin
Oh call, let's begin

Gonna trip carefully, ever so lightly
But now a threatening fist

Gonna find ways to make it happen
Yea, it's my second move

Gonna trip carefully, ever so lightly
But now a threatening fist

(2x)

In the moments, right you must strike
It's not a test, it is a fight
