

## How Long Gone

Brooks & Dunn

I keep thinkin' any minute you'll be comin' home honey  
I ain't seen nothin' of you in a month of sundays  
Tell me how long gone are you gonna be

All you said was you had to get goin'  
Oh but baby I wouldn't mind knowin' just  
How long gone are you gonna be

How am I supposed to make any plans  
When I still don't even understand  
If you're ever gonna come back home to me  
How long gone are you gonna be

Maybe I didn't pay enough attention  
But I do believe you forgot to mention  
Just how long gone are you gonna be

The phone ain't ringin', 'cause you still ain't callin'  
I ain't been hearin' your footsteps fallin'  
Tell me how long gone are you gonna be

How am I supposed to make any plans  
When I still don't even understand  
If you're ever gonna come back home to me  
Tell me please  
How long gone are you gonna be  
Tell me how long gone are you gonna be
