Brooks & Dunn

I met her on a tailgate  
Told me she was sweet on me  
And she said I've got something  
That I think you might like to see

I got a little peek driving in my car  
And she finally let me see it out behind the bar  
She said her daddy'd kill us both if he ever knew  
I'm talking 'bout my baby's tattoo

If you ever get to see it  
Well, you're gonna want to see it again  
And it looks a little different  
Just depending on the way she bends

But it's the cutest little thing that I've ever seen  
On a model, in a movie or a magazine  
Funny how some ink'll make you think  
There's nothing she won't do  
I'm talking 'bout my baby's tattoo

Ooh, ooh, looks so good, makes me crazy  
Baby, tell me what would make a sweet thing  
Like you get a thing like that?

Couple crazy girlfriends out on a dare  
Drinking margaritas like they just don't care  
Next thing you know, well, you're sitting in a chair  
And trying to remember what he's drawing down there

I can't tell you what it looks like  
I can't tell you where it is  
And chances are you're never  
Gonna see it, so I'll tell you this

It's not a rose on her ankle, not a heart on her hand  
But it'll put a smile on the face of any man  
The kind of thing that'll still look hot when she's 92  
Yeah, I'm talking 'bout my baby's tattoo

Ooh, baby, looks so good, makes me crazy  
Honey, tell me what would make a sweet thing  
Like you get a thing like that?
