Sleep Just a reason to Escape All the dog wars Track Every move they ever And I'm religious one time Blow apart understanding Will it ever change? Don't believe what you're thinking Draw the line in your own way Crashing down around my Like dirty murder With a glass of broken Pride Can I get a witness today? Say what you want to And release it all Take a walk till I'm dizzy The crow flies in me A soul you can't see The crow flies in me The crow flies...
