

# Strangled

Brother Firetribe

Running away don't make it easier  
Numbing my senses only makes me wonder why  
Did I believe it would last forever  
Up to the moment where you turned and walked away

Cold grip 'round my throat  
Strangled by the hands of love (the hands of love)  
Cold grip 'round my throat  
Strangled by the hands of love, the hands of love

Sleepless nights keep getting creepier  
Turning the tide just seems impossible right now  
Saving myself, it's now or never  
Today and tomorrow  
Trying so hard to find a way (find a way)

Cold grip 'round my throat  
Strangled by the hands of love (the hands of love)  
Cold grip 'round my throat  
Strangled by the hands of love, the hands of love  
Trying to stay afloat  
Drowning in the sea of love (the sea of love)  
Reach for the heavens above  
Dying on the cross of love, the cross of love

Got me strangled by the hands of love  
Got me strangled by the hands of love

Cold grip 'round my throat  
Strangled by the hands of love (the hands of love)  
Cold grip 'round my throat  
Strangled by the hands of love, the hands of love  
Trying to stay afloat  
Drowning in the sea of love (the sea of love)  
Reach for the heavens above  
Dying on the cross of love, the cross of love

I'm strangled, I'm strangled  
I'm strangled by the hands of love  
I'm strangled, I'm strangled  
I'm strangled by the hands of love  
I'm drowning, I'm drowning  
I'm drowning in the sea of love  
I'm dying, I'm dying  
I'm dying on the cross of love
