Brotherhood of Man

Baby, baby, maybe, maybe  
I'll get lucky might hit someway  
With you, sweet honey spend my money  
You [?] latest and the greatest for me

I just can't tell a lie  
Cross my heart and die  
I just can't tell a lie  
I cross my heart and die

Sugar candy, I'm so handy  
There's no need to look around for someone new  
To play with make your day with  
I'm on fire with desire for you

With you sweet honey, spend my money
