

Figaro

Brotherhood of Man

Ev'ry morning when sun is dawning
You'll see him down on the beach.
Look out girl better beware
Better take care keep yourself out of reach.
He's out to make a killing girl,
He's out to make a score and maybe
If you're willing girl,
He's gonna ask for more.

Oh, oh figaro he's got magico, oh.
Oh, oh figaro he's a romeo, oh
See him down on the beach
He'll be looking for someone new
Searching down on the beach,
Figaro, Figaro.

When he plays guitar at the disco-bar
He's the star of the show
As the girls go by he just winks an eye
See the pretty girls glow.
He's out to make a killing girl,
When dancing on the floor and maybe
If you're willing girl,
He's gonna ask for more.

Oh, oh figaro he's got magico, oh.
Oh, oh figaro he's a romeo, oh
See him down on the beach
He'll be looking for someone new
Searching down on the beach,
Figaro, Figaro.
