

Live and Let Die

Brotherhood of Man

When you were young and your heart was an open book
You used to say live and let live
You know you did
You know you did
You know you did
But if this ever-changing world in which we live in
Makes you give in and cry

Say live and let die
Live and let die
Live and let die
Live and let die

What does it matter to you?
When you gotta job to do
You gotta do it well
You gotta give the other fellow hell

You used to say live and let live
You know you did
You know you did
You know you did
But if this ever-changing world in which we live in
Makes you give in and cry

Say live and let die ...
