

# People Over The World

## Brotherhood of Man

People over the world  
Reach out your hand  
Touch one another  
People over the world  
Just understand and love each other  
We have one life to live  
So much to give  
And so much to share  
There is love to be found  
Just look around  
There's happiness there  
People over the world  
We are the same  
Just different colors  
People over the world  
Love without shame  
Like sisters and brothers  
Face each day with a smile  
And in a while  
Sunshine appears  
You'll feel warm deep inside  
No need to hide  
From danger and fear

People over the world  
Reach out your hand  
Touch one another  
People over the world  
Just understand and love each other  
We have one life to live  
So much to give  
And so much to share  
There is love to be found  
Just look around  
There's happiness there

People over the world  
Reach out your hand  
Touch one another  
People over the world  
Just understand  
Reach out your hand
