

Two Can Live As Cheap Babe

Brotherhood of Man

You live all alone in your house
I live all alone in my house
Baby we should get it together
Have ourselves a good old time

Two can live as cheap babe
Two can live as one
Two can live as cheap babe
So come on over hon

I'd be working nights at your house
You been working nights at my house
Can't we get together, baby?
Save ourselves a lot of time

Two can live as cheap babe
Two can live as one
Two can live as cheap babe
So come on over hon

Whoa-oo-ooo
Whoa-oo-ooo
Whoa-oo-ooo

There's an empty place in your house
There's an empty place in mine
Baby we should get it together
And live together all the time

Two can live as cheap babe
Two can live as one, whoa-whoa
Two can live as cheap babe
So come on over hon. whoa-whoa

Two can live as cheap babe
Two can live as one, whoa-whoa
Two can live as cheap babe
So come on over hon. whoa-whoa

Two can live as cheap babe
Two can live as one. whoa-whoa
