

# Caught Up

Brothers Johnson

The time is now  
Get your gear ready to fly  
Gatherin' around  
No holdin' us down  
We're leavin' the ground

Caught in the clouds  
So spread the news  
Cause the music's sweeter  
There beautiful sound  
Is to be found  
It's all around

Caught in the clouds  
It's gettin' late  
What cha waitin' for?  
Come on  
Gatherin' around  
No holdin' us down  
We're leavin' the ground

Caught in the clouds  
Caught up in the clouds of love  
You and I in clouds of love  
Said we're flying high  
Gonna meet you in the sky
