

# Prophecy Of Ragnarök

## Brothers Of Metal

Prophecy of Ragnarök, twilight of the Gods  
No escaping destiny when Balder's gone  
Snow and ice will freeze the worlds, mountains crack  
Fenrir's fetters is no more, the sky is turning black

Prophecy of Ragnarök, legend of our death  
Time to be corroded by the serpent's breath  
Riding through the wastelands, there is fire everywhere  
The gods won't be around to hear our final prayer

Axe-time, sword-time - gods go under  
Wind-time, wolf-time - death to all  
Axe-time, sword-time - shields are sundered  
Wind-time, wolf-time - worlds will fall

Titans of justice - fearless we stand  
Odin All-Father are we blessed by your hand?  
Together we rise, together we fight  
We ride into battle and into the night

The giants are raging, the gods meet their fate  
The heavens crack open, thunder fall through the land  
Guardian of Bifrost is blowing his horn  
We ride into battle and into the storm

Brothers they be fighting together side by side  
Valkyries assembling as Aegir brings the tide  
In Odin's Hall we gather champions from the past  
Warriors of Valhalla - we will die at last!

Everything's devoured by the rushing of waves  
The bottom of the ocean will be our graves  
Mountains clash together, under Yggdrasil  
Crumbling to pieces and sink into the sea

Axe-time, sword-time - gods go under  
Wind-time, wolf-time - death to all  
Axe-time, sword-time - shields are sundered  
Wind-time, wolf-time - worlds will fall

Titans of justice - fearless we stand  
Odin All-Father are we blessed by your hand?  
Together we rise, together we fight  
We ride into battle and into the night

The giants are raging, the gods meet their fate  
The heavens crack open, thunder fall through the land  
Guardian of Bifrost is blowing his horn  
We ride into battle and into the storm

A perfect darkness follows all  
A perfect silence to end the war  
Oh Ginnungagap, oh bottomless abyss  
It's the ultimate nothingness where death is bliss

(Axe time, sword time)  
Warriors of Valhalla

(Wind time, wolf time)  
Hear my final words  
(Axe time, sword time)  
This is our purpose  
(Wind time, wolf time)  
This is our end  
(Axe time, sword time)  
(Wind time, wolf time)  
(Axe time, sword time)  
(Wind time, wolf time)  
Worlds will fall!
