

All I Do

Brownstone

Baby your love is every, everything to me
Hey yeah

(All I do)
(All I do)
All I do is think of you
(All I do)
(All I do)

Boy I know I was wrong
To push your love away
I was scared that you were too close to me
But now I find myself needing desperately
To see your smile, to feel your plan
Is what I want again
I know I tripped, sometimes I slipped
No more frontin' boy I want you back again
'Cause I

(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)
(All I do is think of you day and night)
(All I do is trip on you every day and night)

Everyone makes mistakes
Tell me why mine hurt so bad
Just a chance, you will see
That I'm living differently, yeah, all I do

(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)
(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)

Now that I realize the sacrifices you made
Can we make it like it was before
'Cause I can't live another day without
What you give me, yeah

(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)
All I do, all I do
(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)

I love you, I want you
(All I do is think of you day and night)
I really, really want you, baby
(All I do is trip on you every day and night, boy)
I love you, I want you
(All I do is think of you day and night)
I'm really, really need you, baby
(All I do is trip on you every day and night, boy)

Rock on, rock on with the brown, brownstone
Rock on, rock on, yeah
Rock on, rock on with the brown, brownstone

Rock on, rock on, I like that
(All I do)
Rock on, rock on with the brown, brownstone
Rock on, rock on, yeah
Rock on, rock on with the brown, brownstone
Rock on, rock on

(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)
(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)

(All I do is think of you day and night)
(All I do is trip on you every day and night, boy)
