

## Deeper Feelings (Ooh La La)

Brownstone

1 - Ooh la la la  
I'm sayin' ooh la la  
To let you know it's real, yeah  
Ooh la la la  
I'm sayin' ooh la la  
To show just how I feel

You came to me, when I was sad & lonely  
In need of, a love so faithful & true  
Now all my bad days are gone, thanks to you  
Good times have won  
I found a best friend in you

2 - Juliet had a Romeo  
Wherever she'd go, he would follow  
Feelin' so much deeper, than love  
You & me share a heart of gold  
Whether than not, we share our soul  
Feelin' so much deeper, than love  
And I say...

(Repeat 1)

I am your lady, and I  
Will always stand by your side  
Hold tight when you need my hand  
Together we're so strong  
We'll make sweet love all night long  
I am so proud you are my man  
You're my man

How I feel  
Is so real  
Come to me  
And set me free  
I am yours  
For all times  
'Cause you show me you're all mine, yeah  
You're all mine  
You're mine

Ooh la la la  
I'm sayin' ooh la la  
To show just how I feel  
(I need to know how you feel)
