Brownsville Station

Be at my pad about a quarter to one  
And do the combination boogie  
Wow, do the combination boogie  
Do the combination boogie, you boogie all night long

We boogied so hard, we boogied so low  
My landlady come a-knockin' on the door  
About the combination boogie  
Oh, do the combination boogie  
Do the combination boogie, you boogie all night long

Boogie chillen

Old Caldonia and L.S. Brown  
Gonna do the boogie-woogie all night long  
We started rockin' about a half past four  
The police said, Open up the door  
About the combination boogie  
Whoa, 'bout the combination boogie  
You do the combination boogie, you boogie all night long

Yes, about the combination boogie  
You do the combination boogie  
A-do the combination boogie  
Ow
