

Wanted (Dead or Alive)

Brownsville Station

Teenage baby
Turn me on
The kinda love you got for me
Go on and on
Ain't got much time
Gonna make it last
Only takes five after these
Blasts from the past

And it's wrong
Aw, and it's wrong, baby
Well now, sting my beehive, 'cause I'm
Wanted dead or alive

Doctor's office
Shakin' at the holes
Nurse's cryin' out, won't you
Please save his soul?
Got me a needle
Stuck in each arm
But I know you never meant to
Do me no harm

And it's wrong
Whoa baby, it's wrong
Well now, sting my beehive, 'cause I'm
Wanted dead or alive

Well, next time you see me
I won't see you
Do my best, honey, to
Stay away from you
Now, I know you dig me, and I
Know you're my friend, but
Honey, I just can't afford
No more medicine

And it's wrong
Whoa yeah, it's wrong
Well now, sting my beehive, 'cause I'm
Wanted dead
Sting my beehive, 'cause I'm
Wanted alive
Sting my beehive, 'cause I'm
Wanted dead or alive
