Bits, Bits, Bits, Bits  
Come for your bits

Move round the EU, bag a next piece too  
Beast who might you, pad is see through  
He who's been through half of the freaks  
You wouldn't believe mad things I've been through  
You would think he's you  
Minnas speak Hebrew  
But I'm bout P's, man showing a cheap do  
Love sheff gyal  
But big up the Leeds crew  
I might break a bitch's heart like T2  
Hickery dickery jump in the guillotine  
If a g thinks he's better than a shitter me  
Niggas be tryna fill flows with similes  
Niggas be sick of me, can't get rid of me  
It's really peak, man can't have it with D.O.T  
I'll tell a young guy straight  
Do bits on a tune boy, big bellied rude boy  
So I ain't punching above my weight

Bits, bits

Superstar business, glamour and glitz  
If you ever listen to my greatest hits  
I'll make you suffer with epileptic fits  
I'm freezing cold, I'm overly blitz  
I'll grab your girlfriends implanted tits  
Spread her legs wide open like splits  
Whisper in her ear and play with the bits  
I'm dirty like German porno flicks  
Kick back with a bitch watching Netflix  
After a hardcore session of sex  
Jump in my whip, fly to a next bits  
Order a kilo of cocaine  
Break the kilo down in bits  
If you ever mess with my P's  
You might just get found in bits

Bits, what does that mean?  
Should be asking man where your yat's been  
She was last seen in my bad dream  
That I watch back on my flat screen  
Bits, get dressed up like the Ritz  
Man are not rich  
Flow that's crackers like Ritz  
Out of this world like blitz and chits  
Late night skanking, drinks and chicks  
One can of coke and a miniature  
Legendary finisher, come like Lineker  
Gyal in Ohio  
She got my bars in her bio  
Loves what I do with a biro  
Gyal from Compton and Wisconsin  
Keep asking for a pic of my johnson  
Thinks I'm a baller, I play in the Conference  
NSG, can't run out of options

Straight from Manny with the mac  
I'm a real sick don when I rap  
But I don't mean rap  
I mean put it in a Rizla and strap  
Put it in a Rizla and strap  
Big buds or I'm sending it back  
There's no bits in my packs  
It's mad how certain man roll dust like they live in Iraq  
I keep it real so I graft  
I do bits on the side so I never really struggle with the maths  
I weigh bits on Tanitas so you know my weights never daft  
I'm out here doing bits with the Krudd crew  
Man have got bits that will mud you, facts  
I've been down bare times but still man holla at Pubs in the cafes
