Bru-C

Bits, Bits, Bits, Bits  
Come for your bits

Move round the UK  
Bag a next duvet  
True say  
Got a new bae in Norway, foreplay  
With a next ting from Utah  
New bars, tunes are  
Better ring Brustar  
(Beastin' from my ting up in Sweden)  
(Reason, I'ma link that on the weekend)  
(Peak ting, she got tits just like bee stings)  
Not gonna tell dat or hurt da feelings, dartin'  
I come through, its alarmin'  
Link my ting in Cardiff, fuck Barking  
Swansea, one blondie  
Gyal are on me  
Longest convo  
Saying that she wants me  
My mates whip crash, so I claim whip clash  
Quick cash, flip that  
Now I got big cash  
Sit back, sip yak  
With a next piff yat  
Knows that I'm on tour, up out the contour

Bits, bits  
I'm not sure if you know what I mean by bits  
Gyaldem come to the bits  
(Mandem, we gonna come for your bits cahh)  
Come for your bits?

(Nah, not them kinda bits, that kinda bits)

(Nah I did still)

Get a reload on the decks, that's a Pioneer  
I'm tryna eat well, don't bring a pie near  
I'll eat the pie I'm hungry  
Humpty dumpty
