

Cheeky (Skit)

Bru-C

Yo, it's CBJ
It's CBJ, I'm so sneaky
Everybody says I'm cheeky
Move so fast that you can't see me
Skills on the ball like Awoniyi

Yo, it's CBJ
It's CBJ, I'm so sneaky

My favourite food is pizza
Have a couple games on FIFA
Playing games on career mode
In my dad's car, driving on the road
Playing football in the garden like Haaland
Outer space with Martians
I punch a punching bag with my fists
I got FC 24 on my Christmas list
Said I support Nottingham Forest
Never lie, I'm always honest
I got some pace and I tie my lace
Making sure I win that race
Black is my favourite colour
Always cuddle my baby brother
My dad raps and my brother naps
Haribo is my favourite snack
Cutting paper with scissors
I like lizards and wizards
I play Fortnite in the daylight
We get into big fights
I say, "Bruh, don't spray me!"
'Bout time we go have a cup of tea

It's CBJ, I'm so sneaky
Everybody says I'm cheeky
Move so fast that you can't see me
Skills on the ball like Awoniyi
