

Down For You

Bru-C

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yo

I see so many people but there's zero like you
I see your eyes on me and I'm watching you too
I'm living life but what I'm missin' is you
Are you down for me? 'Cause I'm down for you
I see so many people but there's zero like you
I see your eyes on me and I'm watching you too
I'm living life but what I'm missin' is you
Are you down for me? 'Cause I'm down for you

Down for you, down for you
Down for you, down for you
Down for you, down for you
Are you down for me? 'Cause I'm down for you

Down for you
Down for you
Down for you
Are you down for me?
Down for me, down for me
Down for me, down for, down for me
Down for me, down for me
Down for me, 'cause I'm down for you
Down for you
'Cause I'm down for you
Down for you
Yo

I see so many people but there's zero like you
I see your eyes on me and I'm watching you too
I'm living life but what I'm missin' is you
Are you down for me? 'Cause I'm down for you
I see so many people but there's zero like you
I see your eyes on me and I'm watching you too
I'm living life but what I'm missin' is you
Are you down for me? 'Cause I'm down for you

Down for you, down for you
Down for you, down for you
Down for you, down for you
Are you down for me? 'Cause I'm down for you

Down, down
Down, down for you
Down, down
Down, are you down for me?
Down for me, down for me
Down for me, down for, down for me
Down for me, down for me

Down for me, 'cause I'm down for you
Down for you, down for you
Down for you, 'cause I'm down for you
Down for you, down for you
Down for you
Yo

I see so many...
(Zero like you)
