

Freedom

Bru-C

It goes in and out
Riddim from the speaker, play it out real loud, yeah
We go 'round and 'round
Coming to the venue for the UK sound, yeah
Can the sun please shine? Woi
'Cause it is our time now
This is my freedom
Reunite as one

It goes in and out
Riddim from the speaker, play it out real loud, yeah
We go 'round and 'round
Coming to the venue for the UK sound, yeah
Can the sun please shine? Woi
'Cause it is our time now
This is my freedom
Reunite as one

It goes in and out
Big tune, play it out real loud
Man are going to the rave and manna stacked a couple pounds
Everybody queuing up becuh they know it's going down
Manna bubble like an AirMax 95
I won't let the system get up in this life of mine
It's getting intense in the campsite
The sun go low and the people go high

It goes in and out
Riddim from the speaker, play it out real loud, yeah
We go 'round and 'round
Coming to the venue for the UK sound, yeah
Can the sun please shine? Woi
'Cause it is our time now
This is my freedom
Reunite as one

It goes in and out
We go 'round and 'round
