

Mission

Bru-C

I don't need you to complete me
I'm fulfilled by my dreams
You don't need me to make you home
That's why we make a good thing
So many places around you
Can you make a decision
Pack your suitcase
Let's go on a mission

Girl, where do you wanna go?
You can just let me know
Pack your suitcase let's go on a mission
Girl, where do you wanna be?
Got the whole world insane
Pack your suitcase
Let's go on a mission
(Got the whole world insane)
Let's go on a mission

Already told you she's my favorite girl
Taking on a galaxy
It's you and me and gangster world
She keeps me on my toes
And she makes some [?]
We'll be dancing to the morning
While you [?]
She got goals like the women are [?]
[?] talking about a future
While we chilling today
She loves me if I only in a minimum wage
Come we go pack you bag
Cause I'm missin' the raves
For a lady like you I were forever waiting
Everyday we went together
Men we celebrating
Spin the globe eyes glow
Pick a destination
One life this time
Men I'm never wasting
And when I finish this show
You got me up feel like this chick is my bro
[?] let's finish him gold
Pack a vibe boy
Hittin' the road
We're on a mission

Girl, where do you wanna go?
You can just let me know
Pack your suitcase let's go on a mission
Girl, where do you wanna be?
Got the whole world insane

So many things on my mind
Can you stop me from going down?
When they taking our time
It's me and you
And the time is now

And they ain't doing it like you and I
We got something diffrent
Pack your suitcase
Let's go on a mission

Where do you wanna go?
You can just let me know
Pack your suitcase let's go on a mission
Where do you wanna be?
Got the whole world insane
Pack your suitcase
Let's go on a mission
Got the whole world insane
Let's go on a mission
(Got the whole world insane)

So many things on my mind
Can you stop me from going down?
When they taking our time
It's me and you
And the time is now
And they ain't doing it like you and I
(You and I, You and I)
