

## Set Pace

Bru-C

We ain't got time to waste  
On the track I set pace  
We do not move fake  
Tell a man straight to his face  
Us man, we ain't the same  
If I said that I'm on this ting  
Better know that I'm not playing no games

We ain't got time to waste  
On the track I set pace  
We do not move fake  
Tell a man straight to his face  
Us man, we ain't the same  
If I said that I'm on this ting  
Better know that I'm not playing no games

Who's got the best ting? Yeah that's me  
Who's on a next ting? Yeah that's me  
I'll make ya' head spin, yeah that's me  
Release the tension, yeah that's me  
Don't take bad energy from anybody else  
Yeah that's me  
Only do what's right for my health and add to my wealth  
Yeah that's me

(What?) Who's a snake den, nah that's you  
Who's a wasteman, nah that's you  
Come with the fake chat, nah that's you  
Don't ever make cash, nah that's you  
Dem man that talk but show no action, nah that's you  
Dem man can't move forward a fraction, nah that's you

We ain't got time to waste  
On the track I set pace  
We do not move fake  
Tell a man straight to his face  
Us man, we ain't the same  
If I said that I'm on this ting  
Better know that I'm not playing no games

Not giving them an inch, not giving them a dat  
Not giving them a diss, cause man are in the back  
Man are killing in the east, and are killer in the sack  
Like WK, I'm off of the map  
Off of the mat, so what man are lad  
Do what I want, when I want am a lad  
Come with the cure, man I doctor the sound  
Cause Doctor Bru-C's top of the town  
What do we know with the Irn-Bru  
1 - 2 with the mic check, right on cue  
Booked for the rave, I'm vibin' through  
Come in the night, pep's slidin' through  
My girl, I got my eye on you  
What kinda tings I can try on you  
Nowadays gotta watch my back  
Cause these sideman will spy on you

We ain't got time to waste  
On the track I set pace  
We do not move fake  
Tell a man straight to his face  
Us man, we ain't the same  
If I said that I'm on this ting  
Better know that I'm not playing no games

We ain't got time to waste  
On the track I set pace  
We do not move fake  
Tell a man straight to his face  
Us man, we ain't the same  
If I said that I'm on this ting  
Better know that I'm not playing no games
