Bru-C

Yo

They look down on me  
I'm a product of the streetside  
Lockdown got me on a decline  
We've gotta find another way  
Music is my freedom so I let the rhythm play  
Can't see up on the roads  
Blinded by the streetlights  
Link my brother for a free five  
Light up a ting and get high  
Cause to get by we have to [?]

They look down on me  
I'm a product of the streetside  
Back my family through peep times  
Now I wanna make a change  
Music is my freedom and I mic to get paid [?]  
Can't see up on the roads  
Blinded by the streetlights  
So much pain up in these highs  
Light up a ting and get high  
Cause to get by we have to [?]

Yo, listen

I'm a product of the streetside  
Been through some peak times  
Been tryna incline  
Mind on a decline  
Train on a beast vibe  
Eat and I sleep right  
Always been streetwise  
Since I was knee high  
Now man is older  
Heart feeling colder  
Bars in a folder  
Top of the poster  
Must be a soldier  
Streets down my heart, it's not motor, [?]  
It's just a start it's not over

This is just a start now  
Man is moving smart now  
Boy from a small town  
Hittin' up the charts now  
You can hear the pain that I carry in my heart now  
You man are small minded - Man are thinking large now  
Bru-C from LE  
Vibe [?] are plenty  
West Indies  
Used to kick back on westie  
Lord can you bless me  
Grandad protect me  
Pray for the kid  
And I'll see you at the end G

They look down on me  
Wanna put that doubt on me  
You should put a crown on me  
This one's for my family, aye
