

Wagwarn

Bru-C

See when I step up in the place
The vibe's spectacular
Got more game than
Football manager

Take a breather
Draw for the canister
Don't try sesh with the crew if you're amateur
Party 'round the weekend
Don't check the calendar

All I wanna know is
Who's got stamina
Sunshine 'round the world
UK to Malia

Step it up a level
Better move from the banister
Hey, everytime you see me
I'm movin' the next way

Everytime I hold the mic
I shut down the rave
Everyday I'm breathin'
I make it a high day

Everyday I'm livin'
Gotta live the right way
So I say: "Safe"
Nice to meet ya

BRU-C on the mic
Comin' through your speaker
Point through the crowd
That's a señorita

She's lookin' my way
So I say: "Wagwarn"

Hold tight all the mandem in the place, Wagwarn
Hold tight all the gal dem in the rave, Wagwarn
See me in the place better say: "Wagwarn"
Turn to your best mate, tell him: "Wagwarn"

Hold tight all the man dem in the place, Wagwarn
Hold tight all the gal dem in the rave, Wagwarn
Say: "Wagwarn" Say: "Wagwarn"
See me in the place better say: "Wagwarn"

Man, I ride the wave, even if it's Monday
Turn up to the student party on a Tuesday
Party straight through Wednesday and Thursday
Turn up properly on a Friday
Move to your wifey on a Saturday
Kick back and jam with her on a Sunday

Everyday I'm breathin' I make it a fun day

Not gonna live forever, livin' for this one day

Man a oldschool like Jacky Mundo
Man are rockin' Air Max never Umbro
Hold tight my skankin' crew you don't know
Big up all the gang, they are on the front row

See me like: "Yo, nice to meet ya"
BRU-C on the mic
Comin' out your speaker
Point through the crowd
That's a señorita

She's lookin' my way
So I say: "Wagwarn"
