

## Listen For The Laugh

Bruce Cockburn

It's not the laughter of rain in the drain  
It's not the laughter of a man in pain  
It's not the laughter you can hide behind  
It's not the laughter of a frightened mind  
Balanced on the brink only waiting for a shove  
You better listen for the laugh of love

It's not the laughter of the gloating rich  
It's not the laughter of the sacred bitch  
It's not the laughter of the macho fool  
It's not the laughter that obeys the rules  
More of a chain saw in a velvet glove  
You better listen for the laugh of love

It's not the laughter of a child with toys  
It's not the laughter of the president's boys  
It's not the laughter of the media king  
This laughter doesn't sell you anything  
It's the wind in the wings of a diving dove  
You better listen for the laugh of love  
Whatever else you might be thinking of  
You better listen for the laugh of love
