[mumble]
CHORUS:
It's magic they said, back from the dead
It's not Christmas yet, God's not coming back
[mumble]
God's not coming back [mumble]

Two ton rocks he rolled away, Lepers cured every Sunday
["OK, goodnight, thank you very much,

REPEAT CHORUS
SOLO
Hanging with Magdalene
He never dug the little queen
["She's a little stunner, you know what I mean?"]
You look like Ian Gillan but I bet you couldn't scream

REPEAT CHORUS
God's not coming back (3x)
Oh well...
