And did those feet in ancient times Walk upon England's mountains green And was the holy lamb of god On England's pleasant pastures seen

And did the countenance divine Shine forth on our clouded hill Was Jerusalem built here On England's green and pleasant land

Let it rain
Let it rain
Wash the scales from my eyes
Let it rain
Let it rain
Let me see again

Bring me my bow of burning gold Bring me my arrows of desire I shall not sleep o clouds unfold Bring me my chariot of fire

Let it rain
Let it rain
Tears of blood fall out of the sky
Let it rain
Let it rain
Wash me clean again

From the frozen waters The king will rise again With 2 suns in the sky

I shall not cease from mental fight Nor shall my sword sleep in my hand Till we have built Jerusalem In England's green and pleasant land

Let it rain
Let it rain
Tears of blood fall out or the sky
Let it rain
Let it rain
Set me free again

See the gleaming spires of the citadel The king and Queen will dwell In our hearts

Can Jerusalem

Be bebuilded here
In this trivial time
In this land of fear
Where the Grail remains
Walk into the light and dissolve the chains
