

# Midnight Jam

Bruce Dickinson

(Spoken)

Recording all of the above and some of the below.

Love is over like it never began  
Flicker of life, the candle in his hand  
Watch the fairy tale unfold, unwind  
For this prize he traveled in his mind

Who's guilty, who decides?  
Who took her life, who gained the prize?  
Love is cheap, life's a lie  
What kind of man would do this to his friend?

Hand caressed, squeezed her life away  
Slide into the darkness, the end of the day  
Swallowed with the black, cover the light  
To the fire, to the night

Love is over like it never began  
Flicker of life, the candle in his hand  
The queen is dying, dying in love

[Solo]

Watch the fairy tale unfold, unwind, unravel  
Now with his prize he'd slide into the forest beyond

You're alone, alone forever  
Alone forever  
Alone forever  
He's gonna be alone forever

Alone forever
