 1. The ashes drift away, smoke of our confusion
G D Hm Em
 We turn our frightened faces to each other, say goodbye
G D G Em
 Waited for the sign, waited for the moment
G D
 Waited for the miracle to arrive
Hm C
 I guess they lied

C
 *: Look at your future
Em
 Take a look at your burning sky
C
 Look at your future
Am D
 Look at your burning sky

Em G D G Em G D Hm

2. The others, they have gone who wants to live forever
 With nothing left to hold onto the past that we once knew?
 We believed in heaven, we believed in angels
 With arms of purest white
 To hold us, catch us when we fall

*: Look at your future...

Em C Em D F#m Em
 R: Now it's O_mega-Ze_ro day
C Em D Hm Em
 The red star shines its last rays
C Em D F#m Em
 The sun that gave us life yesterday
C Em D Hm C
 Is now the sun that takes our lives away____

*: Take a look at your future
 Look at your burning sky
 Look at your future
 Look at your burning sky
