Bring 'em home, bring 'em home

It will make the politicians sad, I know

Bring 'em home, bring 'em home

They wanna tangle with their foe

Bring 'em home, bring 'em home

They wanna test their grand theories

Bring 'em home, bring 'em home

With the blood of you and me

Bring 'em home, bring 'em home

Now we'll give no more brave young lives

Bring 'em home, bring 'em home

For the gleam in someone's eyes

Bring 'em home, bring 'em home

The men will cheer and the boys will shout

Bring 'em home, bring 'em home

Yeah and we will all turn out

Bring 'em home, bring 'em home

The church bells will ring with joy

Bring 'em home, bring 'em home

To welcome our darlin' girls and boys

Bring 'em home, bring 'em home

We will lift their voice and sound

Bring 'em home, bring 'em home

Yeah, when Johnny comes marching home

Bring 'em home, bring 'em home

Bring 'em home, bring 'em home

Bring 'em home, bring 'em home

Bring 'em home, bring 'em home

Bring 'em home, bring 'em home

Bring 'em home, bring 'em home

Bring 'em home, bring 'em home

Bring them back from overseas

Bring 'em home, bring 'em home

If you love this land of the free

Bring 'em home, bring 'em home

Bring them back from overseas

Bring 'em home, bring 'em home
